From 2011-2015,

the Gielesfeld and
Landes Theatres in
Altenburg and
Gera, Germany put
on one of the
wildest
productions of
CHES ever.

Ramping the cold
war politics up to
11 and drawing
inspiration from
Mad Max, Fifth
Element, and the
cyberpunk genre,
they set the
musical in space.
The following is
just a small taste
of a batsn't
insane production
and my personal
headcanons

THE ARBITER

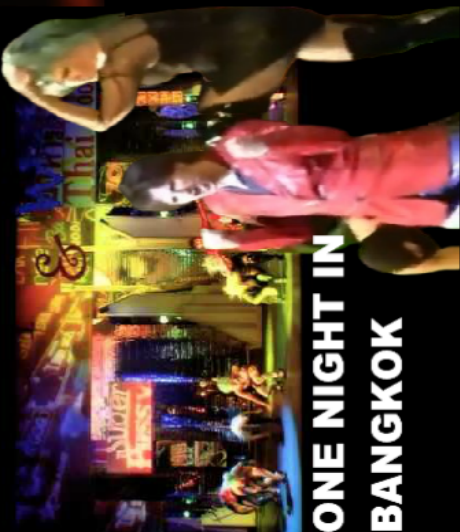

- + HE'S ON THE CASE, CAN'T BE TOOLED
- + HE HAS A CHRONIC SUPER-SOBER
- + NON-ANANY/ERS/INO-ASS/OTTER
- + HE FEELS NOW? HE FEELS NOW.
- + THIS ACTOR HAS AN OPERA STYLE VOICE, IT
WOULD BUT THE CHARACTER IS USUALLY CAST
WITH A ROCKSTAR-STYLE VOICE
- + HE IS WAY TOO HOT IN THIS PRODUCTION
WHAT THE FUCK
- + HE SERVES CUNT IN EVERY SCENE HE'S IN AND
ABSOLUTELY STEALS THE SHOW
- + HE IS NOT BOTHERED WITH TRIVIAL MATTERS
LIKE PARTNERS, HE'S MARRIED TO CHES!

ENDGAME

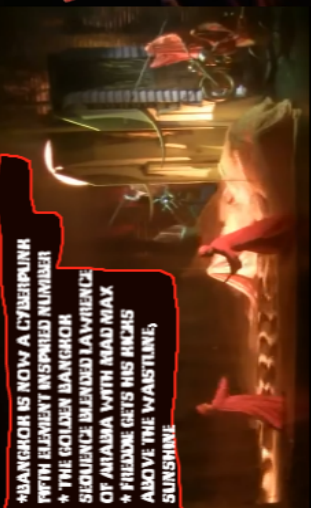

ANATOLY PLAYS ONE LAST CHES GAME
AGAINST VIGAND, SURROUNDED BY
WAR.
