The way things are going

they're gonna crucify me

A brief, low effort 4 AM rant about being trans in america

If it wasn't obvious, THIS IS NOT FUCKING OKAY

Why should anyone anywhere have any say how we get to live our lives what we get to do with our bodies what about is so inturiating that it calls for physical attacks and laws across OUR bodies?

Not to mention, existing existing existing but exteting enywhere else fandle,

Lennon McCrea Zine #5

Made in canva on my phone at 4 am becauss it's the struggle hours, I guess

l'm just TIRED.

Tired of people trying to control me, control my body.

especially since it's a bunch of senile old white people trying to do it.

> Fuck. Off.

This zine was insanely low effort and I'm sure it shows.

thanks for picking it up

now if you don't mind im going to try and get some sleep it's almost 5 am
